

KAREL KRIZ

SELECTED SCIENTIFIC PRESENTATIONS (SINCE 2007)

- 2007
- Information Transfer and Cartographic Design Issues for Avalanche Risk Mapping, ICA Moscow, Russia, August 2007
 - Mapping Environmental Information with Google Earth, Google Earth and Cartography Seminar, RMIT Melbourne, Australia, October 2007
 - Mapping and Geo-Communication with Google Earth, RMIT Melbourne, Australia, December 2007
 - ICA-Commission on Mountain Cartography - Research and Educational Issues, Cartographic Seminar, University of Auckland, Auckland, New Zealand, December 2007
 - Geo-Communication, Cartography and Design, Cartographic Seminar, University of Auckland, Auckland, New Zealand, December 2007
 - Mountain Cartography and Topographic Mapping from a Central European Perspective, Land Information New Zealand, Wellington, New Zealand, December 2007
 - Decision Support Tools for Avalanche Risk Management at the Avalanche Warning Centre Tyrol - Austria, Land Information New Zealand, Wellington, New Zealand, December 2007
- 2008
- Are we living in a cartographic illiterate society?, ICA Symposium "Cartography and Art", Wien, Austria, January 2008
 - Cartographic Design Issues Utilizing Google Earth for Spatial Communication, ICA Commission on Mountain Cartography, Lenk, Switzerland, February 2008
 - AV-Kartographie im Spannungsfeld der Geo-Info-Technologie, Workshop Zukunft Alpenvereins-Kartographie, Innsbruck, Austria, April 2008
 - Hydrologischer Atlas Österreich - Datenvisualisierung und kartographische Gestaltung, Österreichische Kartographische Kommission, Wien, Austria, May 2008
 - How Cartographic is our Society? Keynote Kortdage 2008, Koldingen, Denmark, October 2008
- 2009
- Virtual reconstruction of Nako, Conference "Cultural Flows across the Western Himalaya", Shimla, India, April 2009
 - Goals and objectives of the Cultural History Information System, Conference "Cultural Flows across the Western Himalaya", Shimla, India, April 2009
 - Applying mapping tools in Cultural History, Conference "Cultural Flows across the Western Himalaya", Shimla, India, April 2009
 - Mapping Cultural History of the Western Himalayas, ICA Santiago, Chile, November 2009
- 2010
- Keynote: Perspectives of Cartographic Design, Fourth Central Asia GIS Conference - GISCA 2010, Bishkek, Kyrgyzstan, May 2010
 - Geo-Communication and Cartographic Visualization of

- Environmental Issues, Fourth Central Asia GIS Conference - GISCA 2010, Bishkek, Kyrgyzstan, May 2010
- Cultural History Information System of the Western Himalayas, Recent developments and future plans, EASAA, Wien, June 2010
 - Mapping Different Geographies, Arbeitskreis "Enter Cartography", Wien, October 2010
 - Wie [karto]graphisch ist unsere Gesellschaft?, FDZ-Night 2010, Wien, November 2010
- 2011
- Maps and Design, Understanding Different Geographies, Puchberg, Austria, 1.2.2011
 - Understanding and Communicating Space, Cultural History Information System of the Western Himalaya from the 8th Century, CRTIC-Symposium, Vienna, Austria, 8.4.2011
 - Mountain Guide 3 in 1 - Utilizing cartography to enhance print, internet and mobile media, International Cartographic Association, Paris, France, July 2011
 - Geländedarstellung im Umfeld der Alpenvereinskartographie einst und heute, Reliefdarstellung gestern und heute, Kolloquium anlässlich des 200. Todestages von Johann Georg Lehmann (1765-1811), TU Dresden, 14.10.2011
 - Topographische und Hochgebirgskartographie, Festkolloquium 50 Jahre ÖKK, Wien, 10.11.2011
 - Mountain Guide 3 in 1 - Utilizing Cartography, LBS Symposium TU-Wien, 14.11.2011
 - Esthetics and Design in Cartography - Means of Communication, Visual Historiography - Mapping the World. Cartographic concepts in light of Matteo Ricci's Chinese World Map (1602) in East-West perspective, Austrian National Library, Oratorium, 25.11.2011
 - Der Umgang mit Google Earth und Google Maps im schulischen Unterricht, PH Wien Workshop, Wien, 13.12.2011
- 2012
- Decomposing an Exhibition Map, 8th ICA Mountain Cartography Workshop 10-12 September 2012, Taurewa, Tongariro, New Zealand
 - User Interaction and Design Issues for the Tyrolean AWC Portal, 8th ICA Mountain Cartography Workshop 10-12 September 2012, Taurewa, Tongariro, New Zealand
 - Needs, Concepts and Realization of a Mountain Compliant Smartphone App, 8th ICA Mountain Cartography Workshop 10-12 September 2012, Taurewa, Tongariro, New Zealand
 - Geo-Communicating Space and Time - Utilizing Cartography to Understand the Past, Konferenz Multiplying Middle Ages, Internationale Konferenz an der Abteilung für Byzanzforschung des Instituts für Mittelalterforschung der Österreichischen Akademie der Wissenschaften Wien, 8.–9. November 2012
- 2013
- ICA Commission on Mountain Cartography at a Glance, 26th International Cartographic Conference, Dresden, Germany, August 2013

- 2014
- Geo-communicating avalanche relevant information - EAWS Snoprofiler, 9th ICA Mountain Cartography Workshop Banff, Alberta, Canada, April 22-26 2014
 - Semi-automated rock depiction methods for large scale topographic maps, 9th ICA Mountain Cartography Workshop Banff, Alberta, Canada, April 22-26 2014
- 2015
- Mountain Cartography - How the Past Enhances the Future, San Diego State University, California, USA, 16.4.2015
 - Cartographic Design and Geo-Communication – Do we really understand what we see? University of Redlands, California, USA, 20.5.2015
- 2016
- Mountain Cartography and Cartographic Design, Adam Mickiewicz University in Poznań, Department of Cartography and Geomatics, Poland, 16.5.2016
 - Können wir noch Karten lesen? Welchen Stellenwert haben heute kartographische Medien in unserer Gesellschaft? Geokolloquium, Technische Universität Graz, Institut für Geodäsie, Graz, 14.12.2016
- 2017
- Digitizing Patterns of Power – Cartographic Communication for Digital Humanities, International Cartographic Conference, Washington, USA, July 2017
 - Quality Assessment for Open Topographic Maps - some thoughts on sustainable data caption, creation and design, International Cartographic Conference, Washington, USA, July 2017
 - How Maps Distort the View of Reality - Mapping the Austrian Presidential Election 2016, International Cartographic Conference, Washington, USA, July 2017
- 2018
- Mapping the Past, Present and Future – Geo-Communicating Historical Places and Spaces, "Power in Landscape – Geographic and Digital Approaches on Historical Research" of the Digital Cluster Project Digitising Patterns of Power (DPP), Austrian Academy of Sciences, Vienna, Austria, 18.10.2018
- 2019
- Konzepte, Grundlagen und Genese der Geo-Kommunikation. Das digitale Clusterprojekt Digitising Patterns of Power: Interaktive Online-Karten der Machtgefüge im mittelalterlichen Europa, Redemptoristenkolleg Maria am Gestade, Vienna, Austria, 16.05.2019
 - Mapping the world - Challenges of a multidisciplinary collaboration project in developing a ubiquitous topographic map framework. Researchers Engagement. Use Cases of Data Management in Research Projects, University of Vienna, Oskar Morgenstern- Platz 1, Skylounge, 1090 Vienna, 23.09.2019
