

EUROPEAN FEDERATION
FOR PHARMACEUTICAL
SCIENCES

2nd European Workshop on Computer-Aided Learning in the Pharmaceutical Sciences

6-7 Nov 2008, Vienna, Austria

universität
wien

Programme

Thursday, 6 November 2008

Pharmazie-Zentrum, lecture hall 4 (Hörsaal 4)

14:00 **Opening**

Christian R. Noe

Department of Medicinal Chemistry, University of Vienna, AT
Past President of EUFEPS

14:15 **Introductory remarks**

Norbert Haider

Department of Drug and Natural Product Synthesis, University of Vienna, AT
EUFEPS Branch Office for in-silico Systems and Learning

14:25 **Experience with an online College of Pharmacy**

Steve Moss

Department of Pharmacy and Pharmacology, University of Bath, UK

15:00 **Hybrid Learning – Bridging Tradition and Technology**

Annette Mollet

European Center of Pharmaceutical Medicine, University of Basel, CH

15:35 Coffee break

16:00 **Life-long learning: e-learning examples from the PharmXplorer platform**

Daniela Schuster

Institute of Pharmacy, University of Innsbruck, AT

16:35 **Cooperative learning in pharmacy – design and reactions: insights into the pilot run of the postgraduate online course “Clinical Pharmacy”**

Dorothee Dartsch, Marion Bruhn-Suhr and Jasmin Hamadeh

Arbeitsstelle für wissenschaftliche Weiterbildung, University of Hamburg, DE

17:00 **Discussion: Implementation and Benchmarking Issues with Computer-Aided Learning**

Friday, 7 November 2008
Pharmazie-Zentrum, lecture hall 4 (Hörsaal 4)

- 9:00 **Advanced e-Learning and e-Testing in Pharmaceutical Biology**
Johannes Saukel
Department of Pharmacognosy, University of Vienna, AT
- 9:35 **The impact of Computer Supported Collaborative Learning on the Internship Outcomes of Pharmacy Students**
Sofie Timmers
Department of Pharmaceutical Analysis, University of Ghent, BE
- 9:55 **Pharmaceutical e-learning in industry and at the academia – different targets, same problems**
Sebastian Polak
Simcyp Ltd., Sheffield, UK
- 10:30 Coffee break
- 11:00 **The European Pharmacoinformatics Initiative: Integrating Research, Teaching and the New Media**
Gerhard Ecker
Department of Medicinal Chemistry, University of Vienna, AT
EUROPIN project coordinator
- 11:20 **Using PharmXplorer for Teaching, Learning and Examining in Pharmaceutical Lectures and Practical Courses** (+ demo and hands-on experience), location: computer room 2F363 (level 3)
Klaus Schweiger
Institute of Pharmaceutical Sciences, University of Graz, AT
- 11:55 **Round-up discussion**
- 12:30 **Closing remarks**
Norbert Haider
